HOUSE OF BEATING WINGS

Olivia Wildenstein

Romantasy | 577 Pages | Rights Available – Some Foreign inquiry for specific | Manuscript Available

"Utterly addictive and smolderingly sexy, House of Beating Wings sweeps you away to a world as unique as it is beautiful!" - DANIELLE L. JENSEN, bestselling author of The Bridge Kingdom

FREE THE CROWS, FALLON, AND THEY WILL MAKE YOU QUEEN.

Until an oracle predicted my regal future, I'd never imagined myself rising above the curve of my round ears. After all, I was the magicless halfling loved by beasts but loathed by every pure-blooded faerie at court. Well . . . by all but one.

Dante Regio, prince of Luce, had owned my heart since he gave me my first kiss. If gathering a slew of iron relics could help me overthrow the current monarch and crown his brother to rule at my side, then treasure hunting I'd go.

If only the oracle had warned me what winged demon I was releasing into the world.

And that I'd become this demon's obsession.

Fans of Sarah J. Maas and Mary E. Pearson will devour this epic fantasy romance full of deceit, betrayal, and false loves that could swallow a person whole.
