THE OTHER SIDE OF DISAPPEARING

— **Kate Clayborn** —

A transporting love story about an unexpected road trip, true crime obsessions, and hard-won vulnerability.

Hairstylist Jess has spent the last decade raising her younger half-sister, Tegan—and keeping a shocking secret. Ever since their reckless mother ran off with a boyfriend she'd known only a few months, Jess has been aware that he's the same con man who is the subject of a wildly popular podcast, 'The Last Con of Lynton Baltimore'.

Now 31-years-old, Jess didn't bargain on Tegan eventually piecing together the connection for herself. But Tegan plans to do exactly what Jess has always feared—leave their safe, stable home to search for their mother—and she'll be accompanied by the prying podcast host and her watchful, handsome producer, Adam. Unwilling to let the sister she's spent so much of her life protecting travel with the podcast crew alone, Jess reluctantly joins them. Together, the four make their way across the country, unraveling the mystery of where the couple disappeared to and why. But soon Jess is discovering other things too. Like a renewed sense of vulnerability and curiosity, and a willingness to expand beyond the walls she's so carefully built. And in Adam, she finds an unexpected connection she didn't even know was missing, if only she can let go and let him in.

Key Selling Points

- Ideal for fans of Sophie Cousins, Trish Doller, Beth O'Leary, and Christina Lauren, **THE OTHER SIDE OF DISAPPEARING** grapples with fundamental truths about boundaries, love, family, and letting go.
- Clayborn's previous works have been widely acclaimed!
- "This is a book for plunging into, a river of feelings with an inescapable current. Even as you are swept away, you know Clayborn's hand is safely on the tiller, steering you expertly through the rapids." - The New York Times Book Review on *Georgie, All Along*

SAVOR IT

— **Tarah DeWitt** —

Full of spicy summer fun, charming villages and deep feelings, this anticipated romcom is a must for fans of Elena Armas, Tessa Bailey and B.K. Borison.

Sage Byrd is grateful for the town that helped raise her when her parents passed away. And what would presently bring her joy is finding a partner for her local festival since her ex has already moved on, and maybe, folks in Spunes, Oregon would stop looking upon her with pity. Despite earning a Michelin star on East Coast, Fischer Lange's career took a nosedive before grief came crashing in, leaving him responsible for his fifteen year-old niece. He's been relieved of his head chef position and sent off to Spunes to consult on his investor's new restaurant endeavor.

After an awkward meeting, Sage and Fisher orbit each other, and a fake dating proposal is made to help them all. The only problem? The Summer is shorter than they realize and what they cooked up together may be more than they imagined.

EARL’S TRIP

— Jenny Holiday —

“Ted Lasso” meets “Bridgerton” in the 19th century in this laugh-out-loud bromantic comedy

The first in a sparkling Regency-era series with a delightfully modern feel, set against the irresistible backdrop of an annual trip taken by three handsome earls . . .

Even an earl needs his ride-or-dies, and Archibald Fielding-Burton, the Earl of Harcourt, counts himself lucky to have two. Archie (the jock), Simon (the nerd), and Effie (the goth) have been BFFs since their school days, and their annual trip holds a sacred spot in their calendars. This year, Archie is especially eager to get away—until an urgent letter arrives from an old family friend, begging him to help prevent a ruinous scandal. Archie’s childhood pal Olive Morgan must be rescued from an ill-fated elopement—and her sister Clementine must be rescued from rescuing Olive. Suddenly the trip has become earls-plus-girls.

“One of the best historical romances I've read in years. I truly felt like the characters were falling in love.”

--Julia Quinn, bestselling author of the *Bridgerton* novels

A ROSE BY ANY OTHER NAME

— Mary McMyne —

A dazzling reimagining of Shakespeare's *Dark Lady*, with a tempestuous romance and a touch of magic.

England, 1591. Rose Rushe’s passion for life runs deep—she loves mead and music, meddles with astrology, and laughs at her mother’s warnings to guard her reputation. When Rose’s father dies and a noble accuses her and her dear friend Cecely of witchcraft, they flee to the household of respected alchemists in London. But as their bond deepens, their sanctuary begins to feel more like a cage. To escape, they turn to the occult, secretly casting charms and selling astrological advice in the hopes of building a life together. This thriving underground business leads Rose to fair young noble Henry and playwright Will Shakespeare, and so begins a brief, tempestuous, and powerful romance—one filled with secret longings and deep betrayals.

In this world of dazzling masques and decadent feasts, where the stars decide futures, Rose will write her own fate instead.

Historical Romance/16th century

Key Selling Points

- McMyne is the recipient of the Faulkner-Wisdom Prize for a Novel-in-Progress, a grant from the Sustainable Arts Foundation, and a National Endowment for the Arts Parent Fellowship to Vermont Studio Center, among other honors.
- McMyne’s previous work, *THE BOOK OF GOTHEL*, was widely acclaimed by the critique:

*“McMyne’s shimmering debut gives a fresh, exciting backstory to one of the most famous villains in fairy tale lore: the witch who put Rapunzel in her tower... Fans of *Circe* and *The Wolf and the Woodsman* will devour this taut, empowering fairy tale.”*

THE TRUTH ACCORDING TO EMBER

— Danica Nava —

A Chickasaw woman who can't catch a break serves up a little white lie that snowballs into much more in this witty and irresistible rom-com by debut author Danica Nava.

Ember Lee Cardinal has not always been a liar, not for anything that counted. But when her resume is rejected 37 times, she takes matters into her own hands. She gets creative listing her work experience and answers the ethnicity question on all job applications with a lie. No one wanted Native American Ember, but Caucasian Ember landed her dream accounting job on Park Avenue—Oklahoma City.

Accountant Ember thrives in corporate life, and she begins a forbidden romance with the IT guy and fellow Native, Danuwoa. When they are caught in a compromising position on a work trip, a scheming mid-level executive threatens to expose them unless she fraudulently manipulates the company's accounting books. Unwilling to allow Danuwoa to get fired and lose the financial support he needs for his sister, she agrees. As the blackmail continues to grow, so do Ember's lies. She must make the hard decision to either stay silent for her own personal gain or finally tell the truth, which could cost Ember everything.

LOVING ROMEO

— Laura Pavlov —

From USA Today and Amazon Bestselling Author Laura Pavlov, comes a new Small Town, Enemies to Lovers, Standalone Sports Romance in the brand new Magnolia Falls Series.

Demi Crawford was Magnolia Falls royalty.

I was the boxer from the wrong side of the tracks.

She was the epitome of everything good, while I was broody and rebellious.

We couldn't be more different.

Her family was enemy number one which made her guilty by association.

I despised her before I even knew her.

It was easier that way.

But now she'd moved in next door to me, and she was everywhere I turned.

I couldn't avoid her no matter how hard I tried.

She was beautiful and honest and sweet.

Everything I knew I shouldn't want.

Shouldn't need.

They say there's a fine line between love and hate—and I don't know when I crossed over.

I was so wrapped up in this girl I couldn't see straight.

She was the right hook I never saw coming.

Hating her was supposed to be my end game.

Loving her... well, that was just the beginning.

But the secrets that lived between us threatened to tear us apart.

Lucky for her—I was a born fighter.

And she was definitely worth the fight.

PRINCIPLES OF (E)MOTION

— Sara Read —

A unique romance, and family drama on mathematical genius Dr. Meg Brightwood

Mathematical genius Dr. Meg Brightwood has just completed her life's work: the Impossible Theorem. Reclusive and burdened by anxiety, she hadn't been taken seriously before. Now everyone wants to get their hands on what she alone possesses.

Having grown up a prodigy in a field plagued by sexism and plagiarism, Meg opts for a public presentation so there will be no doubt of her authorship. But a panic attack obliterates her plans.

Then chance sends her the unlikeliest of allies: Isaac Wells—carpenter, high school dropout, in trouble with the law. And the one love of Meg's life. They reach toward each other through the minefield of the past.

But when Meg goes to retrieve the Impossible Theorem, she finds it missing. Will she fight for the achievement of the century and the love of a lifetime?

PARTY FAVORS

— Sariah Wilson —

For a party planner in awe of the royals, daydreams fit for a queen might come true in a captivating romantic comedy by Sariah Wilson, the USA Today bestselling author of *The Hollywood Jinx*

For as long as she can remember, Everly Aprile has been obsessed with the Monterran royals, especially Queen Kat: elegant, self-possessed, and living a fairy-tale romance. As for Everly, her career as an event planner has stalled—and so has her love life. Then a wealthy new client wants a sweet-sixteen party that's fit for an American princess.

Call it *intervento divino* when she meets dizzyingly handsome and charismatic Max Colby, who's relocated stateside from the Monterran kingdom of her dreams. As their friendship grows, Everly starts falling—but for what? Another unattainable obsession? Max is such a dreamboat that surely he sees her as just a friend.

Her royal to-do list is in order. She's revamping her life and learning to believe in herself. Maybe, just maybe, there's a chance for fate to bring Everly her happily ever after after all.

BEST, FIRST, AND LAST

Amy T. Matthews

Three generations of women set out to heal their broken hearts on a grand adventure of hiking the Incan Trail to Machu Picchu in this stirring, spirited, and ultimately joyful journey of love and self discovery

When twenty-five-year-old Heather Russo breaks up with her boyfriend—again—she can't figure out if she's to blame or he is. Either way, she's miserable, and working at home via Zoom meetings is only making it worse. What's more, all the women in her family are struggling. Mom Sandy is convinced she's wasted her life and is nursing a giant grudge against Heather's father, whom she's now divorcing. Grandmother Bonnie is reeling with the grief of losing her third husband, and is carrying his urn everywhere she goes, even the supermarket. The bottom has fallen out of their lives so abruptly, the trio is clinging to any handhold they can—and slowly but surely losing their grip

DOUBLE EXPOSURE

Elissa R. Sloan

Elissa R. Sloan, author of THE UNRAVELING OF CASSIDY HOLMES, returns with a sweeping drama about two A-list stars—and former star couple—as they cross each other's paths over and over again through the years, in a story that examines the work we have to do in order to grow into the people we want to become.

Maiko Fox and Adrian Hightower were young, beautiful, in love...and famous. The latest model to grace the Valentina Posh runway show and the hottest new superhero actor were Hollywood's breakout couple. They were in every magazine, the most popular celebrity-blog topic, and on countless E! News stories.

Then they starred in a blockbuster film together, reaping box-office gold. Fans were at a fever pitch. Everyone couldn't get enough of Madrian, the couple that printed money for the studios, for the paparazzi, for themselves.

But then, their relationship crumbled. Years later, with Adrian topping the Hollywood A-list as a writer and director, dating the country's biggest pop star, and Maiko starring in movies with her celebrated producer-director husband, they live totally different lives. But they can never be too far apart. Madrian is still a box office draw, and the studios keep throwing them together.

As the two grow more and more entangled professionally, Maiko and Adrian have to reckon with themselves: are they happy with their current lives? Or have they grown to be better people when with each other?

THE ROSE ARBOR

Rhys Bowen

An investigation into a girl's disappearance uncovers a mystery dating back to World War II in a haunting novel of suspense by the bestselling author of *The Venice Sketchbook* and *The Paris Assignment*.

London: 1968. Liz Houghton is languishing as an obituary writer at a London newspaper when a young girl's disappearance captivates the city. If Liz can break the story, it's her way into the newsroom. She already has a scoop: her best friend Marisa is a police officer who is assigned to the case.

Liz follows Marisa to Dorset, where they make another disturbing discovery. Twenty-five years ago, three girls disappeared while evacuating from London during the Blitz. One was found murdered in the woods near a train line. The other two were never seen again.

As Liz digs deeper, she finds herself drawn to the village of Tydeham, which was requisitioned by the military during the war and left in ruins. After all these years, what could possibly link the missing girls to this abandoned village? And why does a place Liz has never seen before seem so strangely familiar?

IF THE TIDE TURNS

Rachel Ruecker

1715, Eastham, Massachusetts: As the daughter of a wealthy family, Maria has a secure future mapped out for her, yet it is not the future she wants

Samuel Bellamy, an orphaned sailor searching for work, meets Maria by chance, enthraling her with talk of far-flung places and blasphemous ideals. But neither is free from the social order into which they were born. When Sam is banished from Maria's parents' home after asking for her hand, he vows to return a wealthy man, and Maria promises to keep the faith until then.

Sam is drawn into piracy and discovers a brotherhood more equal and fulfilling than any on land, despite its dangers. Beguiled by the chance to both fight for justice and make a fortune to bring home to Maria, Sam is torn between duty to his crew and his desire to return. Separated by more than just the ocean, time slips by as Sam and Maria cling to their love for each other. Maria is determined to stay strong in her conviction in Sam, but as rumors swirl and her position in Eastham turns perilous, Maria is forced into an impossible decision.

Now, on a journey no less treacherous and eventful than Sam's, Maria draws on every shred of her courage and resilience not merely to survive, but to honor her own yearning for freedom

UNDER THE PAPER MOON

— Shaina Steinberg —

Two former spies who shared more than just missions during WWII reunite in 1948 Los Angeles. Can they let go of heartbreak long enough to team up for one last operation?

It's 1942, and as far as her father knows, Evelyn, heiress to an aeronautics fortune, is working as a translator in London. In truth, Evelyn— as adept with a rifle as she is in five languages—has joined the Office of Strategic Services as a spy. Her goal is personal: to find her brother, who is being held as a POW in a Nazi labor camp. Through one high-risk mission after another she is paired with the reckless and rebellious Nick, growing close to him until the war's end brings with it an act of deep betrayal.

Six years later, Evelyn is back home in Los Angeles, working as a private investigator. The war was supposed to change everything, yet Evelyn, contemplating marriage to her childhood sweetheart, feels stifled by convention. Then the suspected cheating husband she's tailing is murdered, and suddenly Evelyn is back in Nick's orbit again. Teaming up for a final mission, Evelyn and Nick begin to uncover the true nature of her case— and realize that the war has followed them home. For beyond the public horrors waged by nations there are countless secret, desperate acts that still reverberate on both continents, and threaten everything Evelyn holds dear.

THE PARIS GOWN

— Christine Wells —

From perennially popular historical novelist Christine Wells, the delightful tale of three young women in 1950s Paris who share a single dazzling Christian Dior gown.

Paris, 1955

Three friends—Claire, Gina, and Margot—who parted as very young women with their whole lives ahead of them, reunite in Paris years later, determined to start life anew.

Parisian Claire has been working hard to become a Michelin-starred chef one day, but ever since the heady time she spent in the company of socialites Gina and Margot, her dream has been to own a Dior gown. This seemed like a far-off fantasy, until her neighbor, Deidre Martin, who lives above Claire's family brasserie, mysteriously disappears from Paris, quitting her job at the United States Embassy and leaving Claire to mind her apartment. Most bafflingly, Deidre also makes Claire a very special gift: a stunning Dior gown.

Meanwhile Gina, a cool American blue blood, lands on Claire's doorstep nursing a broken heart and a broken engagement after her father lost all of the family money in a risky business venture. A journalist aspiring to be a novelist, Gina has returned to Paris in the hopes of pursuing her dream. But when Deidre goes missing, Gina's journalistic instincts scent a story, and an invitation to the United States Embassy ball is too great an opportunity to miss. Only what on earth is she going to wear?

Key Selling Points

- A dark twisted fairytale based on the story of Peter Pan
- Drawing inspiration from Greek Mythology, this trilogy ingeniously melds with the timeless narrative to birth an entirely novel realm of storytelling
- A retelling of Peter Pan, without its childish appearance. The reader will suffer great chills, but will be carried away by this magical journey!

PETER & PAN Trilogy

Dimitri Balcaen

PETER & PAN, the first novel, takes place around the end of the Hundred Years' War and tells the tale of the abduction of many children in Bishop's Lynn, which leads James and his crew to Neverland, where they must face bloodthirsty mermaids, fairies, and gods from long-forgotten ages

The Peter & Pan trilogy intricately weaves the journeys of a young boy named Peter, his father James, a motley crew of smugglers, and the ambiguous figure, Pan, who cunningly reveals his true deceptive nature. Drawing inspiration from Greek Mythology, this trilogy ingeniously melds with the timeless narrative to birth an entirely novel realm of storytelling.

How far would you go to save your child? For James Barrie and his crew, the answer was simple: As far as it takes.

Follow them on their quest, which takes them from England to a never-before-seen land, where they must contend with natives, mermaids and gods from times long past. Brave these dangers with them and discover once and for all how Peter Pan became.

THE LAST PHI HUNTER

Salinee Goldenberg

An exciting debut fantasy novel set in a Thai-inspired world, about a "cinnamon roll" demon slayer as he escorts the prince's consort through the spirit-infested wilds.

Ambitious Phi Hunter and perpetual lone wolf, Ex, finds his road to glory interrupted when a heavily pregnant runaway enlists his help to escape through the ghost-infested forest...

When Ex is determined to hunt down Shar-Ala, a demon of nightmares, of madness, a charming muay-boran champion crosses his path. She manages to save Ex from a brutal beating, despite being nine months pregnant. In return, she asks him to escort her through the dangerous spirit-filled forest, where ghosts salivate at the smell of the unborn.

Feeling responsible for Arinya's safety, Ex vows to help her get home. But as more of Arinya's secrets come to light and the elusive demon draws closer, Ex must face dangers from both men and monsters, or lose not only the respect and sanctuary of his guild, but also the woman he is trying not to fall in love with.

FILTHY RICH VAMPIRES

Geneva Lee

The first book of a sensual, dangerous, and provocative romance series set in a world of vampires!

Julian Rousseaux has a problem. He's single, and for the world's wealthiest vampires, the social season is about to begin. Julian would rather stake himself than participate in the marriage market. But as the eldest eligible Rousseaux, he's expected to find a wife before the season ends—whether he likes it or not.

When cellist Thea literally stumbles into his life at a gala, he knows she's the last person he could ever fall in love with. She's too innocent, too kind, and way too human. But now that she knows about his world, she's also a walking target. She needs protection. He needs a fake girlfriend to discourage overzealous vampire matchmaking.

THESE DEATHLESS SHORES

P.H Low

Gorgeous and devastating, P. H. Low's debut fantasy is a richly reimagined tale of Captain Hook's origin, a story of cruelty, magic, lost innocence, and the indelible power of stories.

Jordan was once a Lost Boy, convinced she would never grow up. Now, she's twenty-two and exiled to the real world, still suffering withdrawal from the addictive magic Dust of her childhood. With nothing left to lose, Jordan returns to the Island and its stories—of pirates and war and the heartlessness of youth—intent on facing Peter one last time, on her own terms. If that makes her the villain...so be it.

Key Selling Points

- An adult gender-flipped fantasy about the origins of Captain Hook and Peter Pan - from the perspective of Captain Hook
- It's dark and moody but also pacey and romantic (though I wouldn't categorize it as romantasy) in the vein of Chloe Gong.

THE AFTERLIFE OF MAL CALDERA

— Nadi Reed Perez —

A speculative fiction novel that embraces the exploration of mental illness and postmortem redemption

Mal Caldera—former rockstar, retired wild-child and excommunicated black sheep of her Catholic family—is dead. Not that she cares. She only feels bad that her younger sister, Cris, has been left alone with their religious zealot of a mother, picking up the pieces Mal has left behind. While her fellow ghosts party their afterlives away at an abandoned mansion they call the Haunt, Mal is determined to make contact with Cris from beyond the grave.

She manages to enlist the help of reluctant local medium Ren, and together, they concoct a plan to pass on a message to Cris. But the more time they spend together, the more both begin to wonder what might have been if they'd met before Mal died.

Mal knows it's wrong to hold on so tightly to her old life. Bad things happen to ghosts who interfere with the living, and Mal can't help wondering if she's hurting the people she loves by hanging around, haunting their lives. But Mal has always been selfish, and letting go might just be the hardest thing she's ever had to do...

DREADFUL

— Caitlin Rozakis —

All at once. Dread Lord Gavrax has had better weeks

It's bad enough to wake up in a half-destroyed evil wizard's workshop with no eyebrows, no memories, and no idea how long you have before the Dread Lord Whomever shows up to murder you horribly and then turn your skull into a goblet or something.

It's a lot worse when you realize that Dread Lord Whomever is...you.

Gav isn't really sure how he ended up with a castle full of goblins, or why he has a princess locked in a cell. All he can do is play along with his own evil plan in hopes of getting his memories back before he gets himself killed. But as he realizes that nothing—from the incredibly tasteless cloak adorned with flames to the aforementioned princess—is quite what it seems, he'll also have to make some tough choices and decide if he wants to be Dread Lord Gavrax at all.

I KILL KILLERS

S.T. Ashman

The Queen's Gambit meets Dexter in this pulse-pounding thriller about a killer hiding in plain sight.

Main character Leah Nachtnebel is a genius pianist who has played for royalty and presidents. She's also a killer of killers. She goes from brutally murdering a serial killer in the woods to playing a sold-out concert in the same night. FBI

Special Agent Liam Richter is the only person who suspects her. He is deeply ethical with razor sharp instincts.

As Richter pulls each thread leading to Leah, this un-put-downable thriller takes a wild journey into moral ambiguity, blurring the slippery line between heroes and villains.

IF YOU TELL A LIE

Lucinda Berry

A haunting thriller about four friends sworn to secrecy over the events of one fateful summer and the dark truths that threaten to erupt years later

They never considered how his wife might react, or that by the end of the summer a man would be dead. But Blakely always got her way, and the others followed her lead—even when they knew it was dead wrong.

The girls had been friends from day one at Camp Pendleton, a haven for gifted children. But their senior summer was different. When Mr. Crosby, the handsome tennis coach, wound up murdered after a reckless lie, Blakely, Grace, Meg, and Thera swore themselves to secrecy. And never spoke to each other again.

Until now. Twenty years later a sinister note claiming to know what they did brings them back together. And once again Blakely is pulling the strings.

THE BUSY BODY

Kemper Donovan

An unnamed ghostwriter gets a dream assignment to collaborate on a memoir with former Senator Dorothy Gibson. Gibson ran and lost as an independent for U.S. President and is being blamed for the shocking result. As they collaborate on the memoir, a neighbor dies and Dorothy is determined to solve the case.

It’s a dream assignment. Former Senator Dorothy Gibson, aka that woman, is the most talked-about person in the country right now, though largely for the wrong reasons. As an independent candidate for President of the United States, Dorothy split the vote and is being blamed for the shocking result. After her very public defeat, she’s retreated to her country home, inviting her ghostwriter to join her.

Her collaborator is impressed by Dorothy’s work ethic and steel-trap mind, not to mention the stunning surroundings (and one particularly gorgeous bodyguard). But when a neighbor dies under suspicious circumstances, Dorothy is determined to find the killer in their midst. And when Dorothy Gibson asks if you want to team up for a top secret, possibly dangerous murder investigation, the only answer is: “Of course!”

The best ghostwriters are adept at asking questions and spinning stories . . . two talents, it turns out, that also come in handy for sleuths. Dorothy’s political career, meanwhile, has made her an expert at recognizing lies and double-dealing. Working together, the two women are soon untangling motives and whittling down suspects, to the exasperation of local police. But this investigation—much like the election—may not unfold the way anyone expects.

WHAT WAITS IN THE WOODS

— Terri Parlato —

A once-promising young ballet dancer returns to her hometown only to face a grisly discovery...

When Esmé left the suburbs to become a professional ballerina, the future shimmered with promise. Eleven years later, her career has been derailed by an injury, and Esme knows it's time to abandon her dreams and go home to help her brother care for their ailing father. But her return coincides with an unthinkable crime: Kara, one of Esme's high school friends, is found dead in the woods behind her childhood house.

Esmé is shocked and grieving, but also uneasy. In her dreams, she still sees the man who showed up at the scene of the car accident that killed her mother—and told Esmé he was going to kill her too. Family and friends insisted the figure was a product of Esmé's imagination and a concussion. But she and Kara looked alike – could Kara's murder have been a case of mistaken identity? Day by day, Esmé discovers more about the friends and family she thought she knew. Soon, shining a light into the darkness to learn what really happened the night Kara died is the only way she can bring the nightmare to an end.

YOU WILL NEVER BE ME

— Jesse Q. Sutanto —

When cracks start forming in an influencer's curated life, she finds out that jealousy is just as viral as a video in this riveting suspense novel by bestselling author Jesse Q. Sutanto.

Influencer Meredith Lee didn't teach Aspen Palmer how to blossom on social media just to be ditched as soon as Aspen became big. So can anyone really blame Mer for doing a little stalking? Nothing serious, more like Stalking Lite.

Then Mer gets lucky; she finds one of Aspen's kids' iPads and swipes it. Now she has access to the family calendar and Aspen's social media accounts. Would anyone else be able to resist tweaking things a little here and there, showing up in Aspen's place for meetings with potential sponsors? Mer's only taking back what she deserves—what should have been hers.

Meanwhile, Aspen doesn't understand why her perfectly filtered life is falling apart. Sponsors are dropping her, fellow influencers are ghosting her, and even her own husband seems to find her repulsive. If she doesn't find out who's behind everything, she might just lose it all. But what everyone seems to forget is that Aspen didn't become one of TikTok's biggest momfluencers by being naive.

AMORY AMES MYSTERY SERIES

Rachel Ruecker

Join Amory Ames in her many mysteries through the exotic world of the 1930's!

#1. MURDER AT BRIGHTWELL

Set in an English hotel in an age when the wealthy indulged in afternoon teas, Amory Ames is one of the wealthy, beautiful, intelligent and unhappy in her marriage. Nonetheless, she is invited by her ex fiancé to join a party Gil Trent, not knowing that she'll soon become embroiled in a murder investigation that will not only test her friendship with Gil, but also will upset the status quo with her husband.

Amory Ames, a wealthy young woman questioning her marriage to her notoriously charming playboy husband, Milo, is looking for a change. She accepts a request for help from her former fiancé, Gil Trent, not knowing that she'll soon become embroiled in a murder investigation that will not only test her friendship with Gil, but also will upset the status quo with her husband.

Amory accompanies Gil to the luxurious Brightwell Hotel in an attempt to circumvent the marriage of his sister, Emmeline, to Rupert Howe a disreputable ladies man. There is more than her happiness at stake, however, when Rupert is murdered and Gil is arrested for the crime. Matters are further complicated by Milo's unexpected arrival, and as the line between friend and foe becomes less clear, Amory must decide where her heart lies and catch the killer before she, too, becomes a victim.

DISORDERLY MEN

— Ed Cahill —

Set in NYC's gay subculture in the period before the Stonewall Riots, three men fates are thrown together when they're all caught in the police raid of a Village bar

The three men find themselves in a police wagon together, their private lives threatened to be revealed to the world. Blackmail, a private investigator, Gus's disappearance, and Danny's quest for retribution propel Disorderly Men to its piercing conclusion, as each man meets the boundaries of his own fear, love, and shame. The stakes for each are different, but all of them confront a fundamental question: how much happiness is he allowed to have ... and what share of it will he lay claim to?

THE STILL POINT

— Tammy Greenwood —

From the award winning author Tammy Greenwood's addictive new novel set in the hyper cutthroat world of ballet girls and their mothers as they compete for a prestigious prize

Ever, Lindsay, and Josie have ushered their daughters—Bea, Olive, and Savvy—through years of dance classes. They've tended bloodied feet, stitched ribbons on pointe shoes, and in the process, forged friendships that seem to transcend rivalry. But now infamous Etienne Bernay of French ballet, has come to their conservatory to direct this year's production of The Nutcracker - and he's brought along a film crew to document his search for one special student who will receive a full scholarship to the Ballet de Paris Academie. For the girls, this is the chance to fulfill lifelong dreams. For Ever, recently widowed and struggling financially, it may be the only way to keep Bea dancing. And Bea is a truly gifted dancer—poetic and ethereal, breathtaking to watch. Lindsay, meanwhile, frets that Olive is growing tired of the punishing reality of training, while Josie has no such qualms about Savvy, who is a powerhouse of ambition.

IN THE REALM OF ASH AND SORROW

— Kenneth W. Harmon —

An American bombardier spirit, downed over Japan, remains trapped as a yūrei ghost and the war widow he comes to love

When bombardier Micah Lund dies on a mission over Hiroshima, his spirit remains trapped in the land of his enemies. Dazed, he follows Kiyomi Oshiro, a war widow struggling to care for her young daughter, Ai. Food is scarce, work at the factory is brutal, and her in-laws treat her like a servant. Watching Kiyomi and Ai together, Micah reconsiders his intolerance for the people he'd called the enemy. As his concern for the mother and daughter grows, so does his guilt for his part in their suffering. Micah finds a new reality when Kiyomi and Ai dream—one which allows him to interact with them.

While his feelings for Kiyomi deepen, imminent destruction looms. Hiroshima is about to be bombed, and Micah must warn Kiyomi and her daughter. In a place where dreams are real, Micah races against time to save the ones he loves the most. In the Realm of Ash and Sorrow is a tale about love in its most extraordinary forms—forgiveness, sacrifice, and perseverance against impossible odds.

THE CURE FOR
DROWNING

Loghan Paylor

Evocative, magical and luminously written, The Cure for Drowning is not only a brilliant, boundary-pushing love story but a historical novel that boldly centres queer and non-binary characters in unprecedented ways

Born Kathleen to an immigrant Irish farming family in rural Ontario, Kit McNair has been a troublesome changeling since, at ten, they fell through the river ice and drowned, only to be nursed back to life by their mother's Celtic magic. A daredevil in boy's clothes, Kit chafes at every aspect of a farmgirl's life, driving that same mother to distraction with worry about where Kit will ever fit in. When Rebekah Kromer, an elegant German doctor's daughter, moves to town with her parents in April 1939, Rebekah has no doubt as to who nineteen-year-old Kit is. Soon she and Kit, and Kit's older brother, Landon, are drawn tight in a love triangle that will tear them and their families apart, and send each of them off on a separate path to war. Landon signs up for the Navy. Kit, now known as Christopher, joins the Royal Air Force, becoming a bomber navigator relied on for his luck and courage. Rebekah serves with naval intelligence in Halifax, until one more collision with Landon changes the course of her life and draws her back to the McNair farm - a place where she'd once known love. Fallen on even harder times, the McNairs welcome all the help she is able to give, and she believes she has found peace at last. Until, with the war over, Kit and Landon return home.

Historical/LGTBIQ+/Coming of Age

Key Selling Points

- Told in vivid, unforgettable voices, The Cure for Drowning is a powerfully engrossing novel that follows non-binary protagonists, and their non-binarism is not the focus or the cause of the central conflict.
- Logan Paylor has a real talent for writing deeply descriptive passages, action and emotion without superfluous language or detail.

THE NEIGHBOR WAGER

Crystal Kaswell

A modern, gender-twist on the classic romantic comedy Sabrina.

Deanna is all work, no play. She's too busy running her soon-to-be fortune 500 tech company, currently launching the world's best dating site. For women. By women. All driven by her genius algorithm. Case in point: her kid sister and co-founder, Lexi, the company's #1 test case. Despite Lexi's preference for casual encounters, the app found her Mr. Right. Just in time for the company to secure major investment.

Then the boy next door ruins everything.

River, their dorky neighbor who read comic books instead of going to parties, is now a hunk--not to mention charming and witty. Oh, and he's still totally in love with beautiful, effervescent Lexi, and she's responding to his sudden attention. No way. Deanna isn't letting anyone--much less some guy who's been MIA for years--tank their company. She's not letting River anywhere near her sister. But the only way to keep him away from Lexi is to keep him busy. With her.

Except, he's not so bad. He's kinda funny actually. And sweet. And a great kisser. Wait, why are they kissing? They really shouldn't be kissing.

THE PLAYBOY

— Marni Mann —

A sizzling grumpy-sunshine, boy-obsessed, one-night-stand romance from USA Today best-selling author Marni Mann

Spade. People know what to expect when they hear my last name. Billionaire. Alphahole. The forever bachelor. Heir to Spade Hotels, one of the most luxurious brands in the world. Want to know what they would never call me? Boyfriend. Until her. With one glance at her in the club, I'm ready to claim her for the night. Dark, flowing hair. A smile that causes my heart to pound. Eyes that pierce my soul. And a perfect body that makes every part of me pulse. She's addictive. Electrifying. Consuming. I've never wanted anyone more. Our eyes meet, but she looks right past me. She isn't here for me. She's here for the music. For the first time in my life, a woman makes me work for it. Her indifference fuels the fire inside me. The result? One night. No names. No introductions. Just pleasure. The way I've always liked it. But now, I find myself fantasizing about this gorgeous stranger, and I swear I can still feel the softness of her skin and taste her on my lips. The minute I saw her, a switch flipped inside me. Now, how do I stop this raging ... obsession? When our paths cross again in the most unexpected way, I'm on a mission to make her mine. But what happens when she wants nothing to do with me?

THE DESIGN OF US

— Sajni Patel —

One impulsive lie leads to a weeklong adventure of fake dating for two bickering coworkers in this swoony destination wedding rom-com.

Sunshine expected to get a reprieve from Bhanu while visiting her family in Hawaii, but the universe has other plans.

When Bhanu runs into Sunny at the hotel and witnesses his ex criticizing him about being single, Bhanu does the first thing that comes to mind: she impetuously claims to be Sunny's girlfriend just to get some peace and quiet.

Except Sunny is on island for a friend's wedding and his ex has already texted the entire wedding party about this mysterious girlfriend.

Between Bhanu's hilariously meddling family and Sunny's ecstatic friends, the two are pushed closer together, even as stress mounts over the impending promotion.

They say what happens on island, stays on island. But as Sunny and Bhanu let their guards down, will either of them be able to resist this romantic getaway without crossing the line?

THE GRAVITY BETWEEN US

— Kristen Zimmer —

Where does friendship stop and love begin?

***The Gravity Between Us* is a daring, romantic, emotional story about friendship, love, and finding the courage to be yourself in a crazy world.**

At just 19, Kendall Bettencourt is Hollywood's hottest young starlet with the world at her feet – but behind the glamour and designer dresses is a girl who longs for normal.

Payton Taylor is Kendall's best friend since childhood, and the one person who reminds her of who she really is – her refuge from the craziness of celebrity life.

With her career taking off, Kendall moves Payton to LA to help keep her sane. But Payton is hiding a secret that could make everything ten times worse. Because to her, Kendall is more than a best friend – she is the only girl that she has ever loved.

Key Selling Points

- An emotional romance with over 1,600 five-star ratings on Goodreads
- Adds the glamorous "Hollywood point of view" to the romance (the main character is a young movie star)

Petra Bock

Join Petra Bock in decoding an entire epoch's blockade code and learn how to benefit directly from a new, uncluttered way of thinking. This will elevate you and others to new levels of inspiration, allowing you to see everything you have known with a fresh perspective..

A self-assured and scientifically sound work that provides a new perspective on our humanity, which has also been tested in the field. Although not yet mainstream, it deserves to be so, as it promotes new and more humane ways of thinking that can benefit us all. As a philosophical treatise, it presents a positive vision for future generations

in a world still mired in negativity.

Simultaneously, it offers practical utopian ideas, drawing from coaching and psychology, that individuals from all backgrounds can implement today. This book challenges conventional perspectives and encourages readers to break free from old thought patterns, promoting open discourse, particularly across ideological divides.

Memoir

Key Selling Points

- A story that delves into questions of loyalty and politics, cultural upheaval and human dignity.
- Award-winning author whose work portrays the lives of ordinary people caught in the eye of history. She is best known for *The Concubine's Children*, her family memoir; *The Girl in the Picture*, about the "napalm girl" of the Vietnam War

OUT OF DARKNESS

Denise Chong

From the bestselling author of *The Concubine's Children* and *The Girl in the Picture*, a gripping story of a domestic assault that shocked the world, of the exercise of power and political influence, and of the Bangladeshi woman whose irrepressible spirit found light in sudden darkness.

From the outside, Rumana seemed an unlikely victim of domestic abuse: married to a man of her own choosing and progressing in her career as a professor of international relations at Dhaka University. But in 2011, on return from graduate studies at the University of British Columbia, her husband attacked and blinded her in front of their young daughter. As Rumana's horrifying story garnered international headlines, and connections brought her to Vancouver in an attempt—ultimately futile—to restore her sight, her plight underscored the fact that there are no typical victims of intimate-partner violence.

Denise Chong goes behind the headlines to reveal the devolution of a love story into a tale of tyranny behind closed doors, and the pursuit of justice that proved all the more elusive during the rise of social media. *Out of Darkness* tells a globe-spanning narrative of loyalty, perseverance and a woman's determination to face the future and rebuild a life with meaning.

Key Selling Points

- A must-read for anyone who has ever looked up into the night sky in awe and wonder. Readers will never look at the Moon the same way again.
- An award-winning author takes a close and fascinating look at our cosmic neighbor, deserving fantastic reviews, including a Kirkus starred review.
- A mesmerizing masterpiece that instills a profound sense of wonder and respect for the Moon. Its blend of poetic storytelling and scientific insights ensures an unforgettable reading experience.

STILL AS BRIGHT

Christopher Cokinos

An Illuminating History of the Moon from Antiquity to Tomorrow

In the luminously told *Still As Bright*, the story of the Moon traverses time and space, rendering a range of human experiences—from the beliefs of ancient cultures to the science of Galileo's telescopic discoveries, from the obsessions of colorful 19th century "selenographers" to the astronauts of Apollo and, now, Artemis.

Simultaneously steeped in rigorous cultural and scientific history, as well as memoir, *Still As Bright* is a thoughtful, deeply moving, evergreen natural history. It takes readers on a lyrical journey that spans the human understanding of our closest celestial neighbor, whose multi-faceted appeal has worked on witches, scientists, poets, engineers and even billionaires.

ARBEITS LUST STATT FRUST (WORK ENTHUSIASM INSTEAD OF WORK FRUSTRATION)

Jonas Höhn

Easy strategies to actively shape and enhance employee retention and together change the workplace within the team.

Don't do it any more, do it differently!

Employees are often better connected to the Internet than to their own company, colleagues - and themselves. No wonder: They lack a workplace environment in which they feel heard and understood, in which they feel they can make a difference. They are therefore increasingly experiencing pain rather than pleasure, but this should not be it.

Jonas Höhn shows HR managers, employees and managers how they can take action to build a safe working environment together, grow together as a team and sustainably increase the performance of all.

From current scientific findings to motivating best practice examples from well-known companies to concrete quick wins"for employees and managers - this book offers inspiring impulses and practical recommendations for action to create better working environments and make collaboration more positive.

UNEARTHING

Kyo Maclear

An unforgettable memoir about a family secret revealed by a DNA test, the lessons learned in its aftermath, and the indelible power of love—for readers of Dani Shapiro's *Inheritance* and Katherine May's *Wintering*.

Three months after Kyo Maclear's father dies in December 2018, she gets the results of a DNA test showing that she and the father who raised her are not biologically related. Suddenly Maclear becomes a detective in her own life, unravelling a family mystery piece by piece, and assembling the story of her biological father. Along the way, larger questions what exactly is kinship? And what does it mean to be a family?

Unearthling is a captivating and propulsive story of inheritance that goes beyond heredity. Infused with moments of suspense, it is also a thoughtful reflection on race, lineage, and our cultural fixation on recreational genetics. Readers of Michelle Zauner's bestseller *Crying in H Mart* will recognize Maclear's unflinching insights on grief and loyalty, and keen perceptions into the relationship between mothers and daughters.

Key Selling Points

- **"Ghost of the Hardy Boys is an elegant book, full of charm and pathos and whimsy. The writing is restrained, the characterizations deep and rich, the humor nuanced." —Washington Post**

GHOST OF THE HARDLY BOYS

Leslie McFarlane

As millions of boys and girls devoured the early adventures of the Hardy Boys, little did the young readers and aspiring sleuths know: the series' author was not Franklin W. Dixon, as the cover trumpeted. It was Leslie McFarlane, a nearly penniless scribbler, who hammered out the first adventures while living in a remote cabin without electricity or running water in Northern Ontario. McFarlane was among the first bestselling ghostwriters and this, at last, is his story—as much fun as the stories he wrote.

Ghost of the Hardy Boys is a fascinating, funny, and always charming look back at a vanished era of journalism, writing, and book publishing. It is for anyone who loves a great story and who's curious about solving the mystery of the fascinating man behind one of the most widely read and enduring children's book series in history.

DESIGN FOR A BETTER WORLD

Don Norman

Norman believes the design profession must be rethought and move toward a circular economy centered on recycling through designing for repair, regeneration, and reuse.

Norman (emer., Univ. of California, San Diego) offers a treatise on sustainable design, positing that too much of the world is designed rather than natural. According to Norman, people are surrounded by artifacts such as homes, clothes, tools, and books. This situation projects backward over millennia to hunting and farming existence. People born into this way of living have difficulty thinking of alternatives. Norman challenges readers to change their way of being, recognizing that people, nature, and the environment are a single complex system in which any change to a part might impact the whole. According to Norman's argument, designed things change the way people behave, act, and live: "we design the world, and it, in turn, designs us" (p. 5). He calls for a mobilization of the many to change the world into one in which success is measured not in money but in the wellness and happiness of all people.

WARMING UP

— Madeleine Orr —

How Climate Change is Changing Sports

In recent years, a world championship marathon was held at midnight to avoid the blistering sun. Professional athletes needed oxygen tanks to play during wildfire season in California. Players collapsed and play was suspended amid the heat and bushfire smoke at the Australian Tennis open. Ski resorts in the Alps have turned into ghost towns. Golf courses are sinking into the sea. And then there's the Qatar World Cup, among the greatest follies in sporting history, one that saw hundreds (perhaps thousands) of heat-induced deaths before a ball was even kicked.

The threat climate change poses to sport is clear, but with billions of participants and fans around the world who rely on the sector for entertainment, jobs, fitness and health, this is one industry we can't afford to lose. In this book, Madeleine Orr shows it doesn't have to be this way. There are ways to mitigate, and perhaps counter, even the worst elements of climate change.

CALL OF THE KINGFISHER

— Nick Penny —

**A love letter to a short stretch of nature
and a celebration of all the wild things
that live there**

Call of the Kingfisher relates a year by the river, the author's experiences there and the people he meets. Other strands weave around the feathered protagonist: explorations of history and landscape, from Roman and Bronze Age sites to watermills and centuries-old stone churches; homages to naturalists who lived nearby; forest dawns and dusks listening to the precious song of nightingales. But the background tapestry is the riverbank's sights and sounds, and its greens and browns, shot through with the blue and orange threads of a kingfisher's glowing feathers.

SICH DURCHSETZEN OHNE ELLENBOGEN (FIRMNESS WITH FAIRNESS)

Florian Pressler

The key to successfully asserting yourself

In today's working world, it is essential to know how to assert yourself in a friendly and assertive manner: your own ideas, suggestions for improvement, process adjustments, demands for resources and, last but not least, your own interests have to be negotiated again and again.

Many people find this unpleasant, they don't want to cause any trouble, step on anyone's toes or upset colleagues. But without assertiveness, you will not be taken seriously, will be blocked more often and will achieve less.

In this book, the author and rhetoric expert introduces you to assertiveness that is solution-oriented and does not involve power struggles. An assertiveness without elbows that takes the interests of the other person into account and respects them. That reduces friction at the many interfaces instead of increasing it. The eBooklet is aimed at both employees and managers – and generally at people who would like to develop their own assertiveness in both a professional and private context, without pulling out their elbows and without destroying relationships.

Key Selling Points

- Eliot Stein is an award-winning journalist, deputy editor at BBC Travel, and the creator of the Custom Made column.
- His stories have been translated into 27 languages.

Custodians of Wonder

Eliot Stein

A vivid look at the ten key people who are maintaining some of the world's oldest and rarest cultural traditions

Custodians of Wonder takes the spirit of the award-winning Custom Made column and expands it.

It's a collection of deeply researched and reported narratives that focus on ten unsung, inspiring individuals who are upholding ancient rites and practices that are uniquely rooted in a place's history and character, and are also on the edge of extinction.

Custodians of Wonder explores the cultural and emotional impact of what it means when the unique traditions and customs that we've treasured for generations fade away.

Above all, it's a celebration of human ingenuity and perseverance, and a love letter to the people, places and practices that make our world so wondrous. With the thoughtful contemplation and detail of Pico Iyer, and the empathy and reverie Brandon Stanton conveys for his subjects, Custodians of Wonder casts a broad geographic and thematic net to tell a larger story about who we are, how customs shape culture, and what the future may have in store for us.

Memoir

Key Selling Points

- This wide-ranging memoir gives unparalleled insight into one woman's determination to save her people, inspiring as it informs, compelling us to act.
- "I have three strikes against me. I'm a woman, I speak out for women and I'm Hazara, the most persecuted tribe in Afghanistan."
- -Sima Samar

OUTSPOKEN

Sima Samar

The impassioned memoir of Afghanistan's Sima Samar: medical doctor, public official, founder of schools and hospitals, thorn in the side of the Taliban, nominee for the Nobel Peace Prize, and lifelong advocate for girls and women

Dr. Sima Samar has been fighting for equality and justice for most of her life. Born into a polygamous family, she learned early that girls had inferior status, and had to agree to an arranged marriage if she wanted to go to university. By the time she was in medical school, she had a son, Ali, and had become a revolutionary. After her husband was disappeared by the pro-Russian regime, she escaped. With her son and medical degree, she took off into the rural areas--by horseback, by donkey, even on foot--to treat people who had never had medical help before.

Her wide-ranging experiences both in her home country and on the world stage mean she has all the inside stories: the dishonesty, the collusion, the corruption, the self-serving leaders, the hijacking of religion. And as a former Vice President, she knows all the players in this chess game called Afghanistan. With stories that are at times poignant, at times terrifying, inspiring as well as disheartening, Sima provides an unparalleled view of Afghanistan's past and its present. Despite being in grave personal danger for many years, she has worked tirelessly to achieve justice and full human rights for all the citizens of her country.

SANCTUARY OF THE SHADOW

Aurora Ascher

A high-heat fantasy steeped in intrigue ala *Jason Bourne*

For humans, Salizar's is a place of mystery and wonder. For Harrow, it's a place to hide from those who slaughtered her entire clan. A haven where she can disguise both her abilities and who she really is.

Until he arrives.

He has no recollection of who—or even what—he is. He only knows that he's a monster, with wings and powerful abilities never seen before. But beneath the layers of rage and isolation, one glimpse into those inky black eyes reveals a soul that calls out to the loneliness in Harrow.

And so she chooses him.

She is drawn to the mystery of him, her unquenchable need for his kiss. And as powerful enemies align and conspire against them, Harrow knows their only hope is escape.

Now, with every secret she unlocks from his past, a shadow from her own whispers free—luring enemies who will stop at nothing to get their final revenge on Harrow. And she's given them the perfect weapon...because her winged beast is not what he seems.

Horror/Thriller

Key Selling Points

- Reached #1 on Kindle on Amazon UK for Crime/Suspense/Horror
- 'Once you start Catherine Burns' dark, disturbing, and enthralling debut novel, it's hard to stop. The Visitors is bizarrely unsettling, yet compulsively readable.'
- Iain Reid, internationally bestselling author of *I'm Thinking of Ending Things*

THE VISITORS

Catherine Burns

With the smart suspense of Emma Donoghue's *Room* and the atmospheric claustrophobia of *Grey Gardens*, this bizarrely unsettling, yet compulsively readable thriller explores the twisted realities that can lurk beneath even the most serene of surfaces.

Marion Zetland lives with her domineering older brother John in a crumbling mansion on the edge of a northern seaside resort. A timid spinster who still sleeps with teddy bears, Marion does her best to live by John's rules, even if it means turning a blind eye to the noises she hears coming from behind the cellar door...and ignoring the women's laundry in the hamper that isn't hers. For years, she's buried the signs of John's devastating secret deep into the recesses of her mind—until the day John is crippled by a heart attack, and Marion must face what he has kept hidden.

Forced to go down to the cellar, Marion discovers more about herself than she ever thought possible. As the truth slowly unravels, we finally begin to understand: maybe John isn't the only one with a dark side...

FIVE BROKEN BLADES

— Mai Corland —

Game of Thrones meets Kill Bill in a feast of treason and seduction set against a dazzling fantasy backdrop of Korean history and folklore.

The five most dangerous liars in the land have been mysteriously summoned to work together for a single objective: to kill the God King Joon.

He has it coming. Under his merciless immortal hand, the nobles flourish, while the poor and innocent are imprisoned, ruined...or sold.

And now each of the five blades will come for him. Each has tasted bitterness—from the hired hitman seeking atonement, a lovely assassin who seeks freedom, or even the prince banished for his cruel crimes. None can resist the sweet, icy lure of vengeance.

They can agree on murder.

They can agree on treachery.

But for these five killers—each versed in deception, lies, and betrayal—it's not enough to forge an alliance. To survive, they'll have to find a way to trust each other...but only one can take the crown.

Key Selling Points

- This is book one of an epic trilogy primed for franchising into film or TV with global audiences. As a matter of fact, there is already a major film interest!
- Wonderfully developed characters, each with their own unique voices and stakes, each completely badass and believable in their roles

Historical Romance

THE ECHO OF OLD BOOKS

— Barbara Davis —

A novel about the magical lure of books and summoning the courage to rewrite our stories by the Amazon Charts bestselling author of The Keeper of Happy Endings and The Last of the Moon Girls.

Rare-book dealer Ashlyn Greer's affinity for books extends beyond the intoxicating scent of old paper, ink, and leather. She can feel the echoes of the books' previous owners—an emotional fingerprint only she can read. When Ashlyn discovers a pair of beautifully bound volumes that appear to have never been published, her gift quickly becomes an obsession. Not only is each inscribed with a startling incrimination, but the authors, Hemi and Belle, tell conflicting sides of a tragic romance.

With no trace of how these mysterious books came into the world, Ashlyn is caught up in a decades-old literary mystery, beckoned by two hearts in ruins, whoever they were, wherever they are. Determined to learn the truth behind the doomed lovers' tale, she reads on, following a trail of broken promises and seemingly unforgivable betrayals. The more Ashlyn learns about Hemi and Belle, the nearer she comes to bringing closure to their love story—and to the unfinished chapters of her own life.

Key Selling Points

- #1 Amazon Charts Best Seller in Women's Domestic Life Fiction, having over 16,000 5-star customer ratings. On Good Reads it counts with over 59.000 ratings and overwhelming positive critics!
- Barbara Davis's books have reached over two million readers!
- "[The] dueling timelines, packed with twists and turns, should appeal to fans of Kate Atkinson's Life After Life and Taylor Jenkins Reid's The Seven Husbands of Evelyn Hugo."

THE HALF KING

— Melissa Landers —

Beauty and the Beast meets The Sandman in this all-new, scorching-hot NA fantasy

In a world where birth order determines your fate, what if everything you believed about yourself was a lie?

Like all second-born daughters of the realm, Cerise Solon has never ventured beyond the temple grounds where she lives in service to the goddess. But unlike her peers, Cerise is a complete failure as an oracle. Her inability to foretell a single tragedy has brought shame upon her family, something she sees reflected in their eyes during their rare visits. Everything changes when the head seer offers Cerise an opportunity to serve the Half King—a young man who rules by day and turns to shadow at sunset.

Key Selling Points

- **Dedicated Readership:** Fans of Melissa's popular YA series will follow her into the NA reader space.
- **Tons of Sex Appeal:** Fans of Sylvia Day will salivate over this new sexy and scorchingly hot NA allowing the author to tap into this hot market and new readership.

THE BOOK OF GOTHEL

— Mary McMyne —

Everyone knows the story of Rapunzel in her tower, but do you know the story of the witch who put her there?

Germany, 1156. With her strange black eyes and even stranger fainting spells, young Haelewise has never quite fit in. Shunned by her village, her only solace lies in the stories her mother tells of child-stealing witches, of princes in wolf-skins, and of an ancient tower cloaked in mist, where women will find shelter if they are brave enough to seek it.

When her mother dies, Haelewise is left unmoored. With nothing left for her in her village, she sets out to find the legendary tower her mother spoke of—a place called Gothel, where she meets a wise woman willing to take Haelewise under her wing. There, she discovers that magic is found not only in the realm of fairy tales.

But Haelewise is not the only woman to seek refuge at Gothel. It's also a haven for a girl named Rika, who carries with her a secret the church strives to keep hidden. A secret that reveals a dark world of ancient spells and murderous nobles, behind the world Haelewise has always known.

THE WREN IN THE HOLLY LIBRARY

Mary McMyne

Bestselling Author K.A. Linde's incredible tale in which A Darker Shade of Magic meets Six of Crows, in this alternate day New York where monsters live among humankind.

Kierse should have known something wasn't right. Now she's trapped in the library of an old building... with a monster. His powers aren't supposed to exist. He can't run. He can't hide. And this man, this being, full of terrible power and darkness, is within his rights to kill her.

Thirteen years ago, monsters came to light and brutalized the world of Kierse. The Monster Treaty created a kind of peace—one that is not always respected—. Now Kierse has broken the treaty. But instead of killing her, Graves does the unexpected: he offers her a job... a vision of who he really is.

Kierse has always known he's different. He can make things a little better, a little faster. And there's that feeling you get when danger is a sigh away. But if the old tales are true, there are worse things in the world than monsters.

As an older threat than legends.

Like Graves.

Or like Kierse herself...

Key Selling Points

- Set in our world behind an element of rupture, this resource is very similar to works like *The Hunger Games*, where the love plot is combined with big unknowns, managing to engage the reader with an insatiable hunger for answers!
- The action takes place in New York: one of the most recognizable cultural icons of the United States. However, it is also a place where anonymity and the sensation of smallness multiply. Therefore, it is a tense scenario, ideal to host a plot like that of *THE WREN IN THE HOLLY LIBRARY*, where monsters live among humans.

THE GAMES GODS PLAY

Abigail Owen

Percy Jackson with some heat! A slow burn romance between a competitor in the Games and Hades himself!

Every hundred years, the gods toy with us mere mortals. And we let them. Percy Jackson meets the Hunger Games in an alternate contemporary world where the gods of mythology never died. Now, every hundred years, a new reigning king or queen of the Greek gods is chosen through the Crucible. The twelve gods/ goddesses of the Pantheon each choose a mortal champion, and those champions are tested in a series of Labors until either one champion emerges with the most Labors won...or eleven are dead, and there's only one left standing. Only this time... Hades joins the Crucible. And the pretty young master thief he chooses as his champion is the perfect weapon in a new game Hades alone is playing.

BLOODGUARD

— Cecy Robson —

Gladiator meets Ellis Island in an action-packed love story!

One hundred years. Tens of thousands of gladiators. And today, only one will rise...

Everything in the Kingdom of Arrow is a lie.

Leith of Grey thought coming to this new land and volunteering to fight in the gladiator arena—vicious, bloodthirsty tournaments where only the strongest survive—would earn him enough gold to save his dying sister. He thought there was nothing left to lose.

He was wrong—and they took everything. His hope. His freedom. His very humanity.

All Leith has left is his battle-scarred body, fueled by rage and hardened from years of fighting for the right to live another day.

Then Leith meets Maeve, an elven royal who is everything he despises. Everything he should hate. Until the alluring princess offers him the one thing he needs most: a chance to win the coveted title of Bloodguard—and his freedom.

THE NURSE'S SECRET

— Amanda Skenandore —

New York, 1880s. Una is able to filch a pocketbook in five seconds flat. But when another con-woman pins her for a murder she didn't commit, Una is forced to flee. Running from the police, Una lies her way into an unlikely refuge: the nursing school at Bellevue Hospital.

Based on Florence Nightingale's nursing principles, Bellevue is the first school of its kind in the country. Where once nurses were assumed to be ignorant and unskilled, Bellevue prizes discipline, intellect, and moral character, and only young women of good breeding need apply. At first, Una balks at her prim classmates and the doctors' endless commands. Yet life on the streets has prepared her for the horrors of injury and disease found on the wards, and she slowly gains friendship and self-respect. Just as she finds her footing, Una's suspicions about a patient's death put her at risk of exposure, and will force her to choose between her instinct for self-preservation, and exposing her identity in order to save others.

Skenandore brings her medical expertise to a page-turning story that explores the evolution of modern nursing—including the grisly realities of 19th-century medicine—seen through the eyes of an intriguing and dynamic heroine.

THE HUNDRED LOVES OF JULIET

Evelyn Skye

A woman fleeing her disastrous marriage discovers that she is part of a legendary love story that spans lives, years, and continents in this modern-day reimagining of Romeo and Juliet.

When Helene was young, she dreamed of the perfect man and filled her notebooks with stories about him and about love in its purest form. But after a messy divorce, she has let go of such naive fantasies. She has moved to a small town in Alaska, where she is ready to write her novel and build a new life without romance. Fate has other plans, though.

Helene soon meets Sebastien Montague, a handsome fisherman who is her invented hero made flesh, down to the most idiosyncratic details. But how can a man she created possibly exist in the real world?

While Helene tries to discover the truth behind his existence, Sebastien is determined to keep that truth from her, for he is a man scarred by serial tragedy, hiding a secret that has broken his heart time and again. Yet the shadows of the past emerge, endangering Helene and Sebastien's future before it even begins—and it becomes clear that it won't be easy to forge a new ending to the greatest love story of all time.

FALLEN GODS

— Rachel van Dyken —

American Gods meets 365 days in a spellbinding Norse fantasy of a war between gods from #1 New York Times bestselling author Rachel Van Dyken.

Liv Olson has been drawn to Norse Mythology her entire life. After earning her degree and working as a curator at one of New York's most prestigious museums, she gets an unexpected offer for her dream job in Norway—the same place her brother disappeared months ago after a cryptic message about finding their long-lost father. She finds herself surrounded by superstitious townspeople who refuse to even look at the water. Liv soon realizes that the small town of Vonn is nothing like it seems. Shops close before dark, and things she's only read about seem to suddenly exist. To top it off, her new boss, Tristan, is insultingly mean and engagingly beautiful—and, as part of the job, she must live with him in his mansion.

Key Selling Points

- For fans of sexy romantasy and *Neon Gods* by Katee Robert, Rachel Van Dyken's *Fallen Gods* duology is a sexy, dramatic myth retelling.
- Dark and sexy, it would perfectly fit in Netflix's Catalogue.
- Rachel Van Dyken is the #1 New York Times, Wall Street Journal, and USA TODAY Bestselling author of regency and contemporary romances.

LUCY UNDYING

— Kiersten White —

A vampire escapes the thrall of Dracula and embarks on her own search for self-discovery and true love in this epic and seductive gothic fantasy

Her name was written in the pages of someone else's story: Lucy Westenra was one of Dracula's first victims.

But her death was only the beginning. Lucy rose from the grave a vampire and has spent her immortal life trying to escape from Dracula's clutches—and trying to discover who she really is and what she truly wants.

Her undead life takes an unexpected turn in twenty-first-century London, when she meets another woman, Iris, who is also yearning to break free from her past. Iris's family has built a health empire based on a sinister secret, and they'll do anything to stay in power.

Lucy has long believed she would never love again. But she finds herself compelled by the charming Iris while Iris is equally mesmerized by the confident and glamorous Lucy. But their intense connection and blossoming love is threatened by outside forces. Iris's mother won't let go of her without a fight, and Lucy's past still has fangs: Dracula is on the prowl once more.

Lucy Westenra has been a tragically murdered teen, a lonesome adventurer, and a fearsome hunter, but happiness has always eluded her. Can she find the strength to destroy Dracula once and for all, or will her heart once again be her undoing?

STAR BRINGER

Tracy Wolff

An exciting and immersive sci-fi, where Aurora Rising, The Breakfast Club and Firefly collide!

The sun is dying...and it's happening way too damn fast. With the clock ticking, the Nine Planets' only hope of survival rests on a fancy space station and the alien artifact it's carrying. Which is why it really sucks when some jackass doesn't want the universe saved and blows that station up-while you're still on it.

So if your only choices are flaming death or stealing a flying hunk of space junk-you pick that busted-ass spaceship. Even if it leaves seven strangers with deadly secrets trapped together: a princess, a prisoner, a con artist, a warrior, a priestess, a mercenary, and an asshole in charge of us all.

Now every faction in the galaxy is hunting this ship-from the Sisterhood to the Corporation, and the rebellion's joining in on the fun, too. We just need to stop drinking, fighting, and screwing long enough to evade them all and save the freaking universe...somehow.

Key Selling Points

- **Tracy Wolff is an international phenomenon, being published in many territories with her bestseller series *Crave*, including French, German or Italian.**
- **A character-driven SF, and wonderfully inclusive and accessible, even for the most reluctant readers to Science Fiction.**

*"The most important thing is not to be the biggest, but being the one who works harder, with honesty, enthusiasm and following a strategy.
And we'll keep working this way."*
